Re: W.R. Grace's Supplemental and Rebuttal Expert Reports for the
Estimation Trial

Dear Counsel:

Copies of all of W.R. Grace's supplemental and rebuttal expert reports for the asbestos personal injury estimation trial are being sent to each of you via email tonight. In addition, hard copies of the reports for the following experts have been overnighted to you for delivery tomorrow: Drs. Lees, Moolgavkar, Henry, Lee, Haber, Parker, Weill, Garabrant and Bragg. In addition, the exhibits, attachments and reliance materials for all expert reports except for Drs. Marais/Wecker are being overnighted to you for delivery tomorrow. The Marais/Wecker reliance materials will be sent out tomorrow for delivery on Thursday.

Please be advised that several of the enclosed reports and the information and data contained in the reliance materials are subject to the existing protective orders in this case. Each of you are already subject to the protective orders and are obligated to comply with such orders in the handling and dissemination of the attached reports and reliance materials. In particular, I want to point out that the report of Dr. Haber and the reliance materials for Dr. Weill, Dr. Parker, and Drs. Marais & Wecker contain information that is subject to the protective order entered by Judge Molloy in the criminal case as well as the order entered by Judge Fitzgerald on June 5, 2006.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Scott A. McMillin
